# Hobart High School Time Goes On

Time goes on at HHS. . .

As the 1990-91 school year began, HHS students entered a school that had undergone many improvements over the summer. The most noticeable ones were the newly-painted lockers and the information signs in the lobby, and above the offices and rest rooms.

The students also found a new tardy policy in place, which greatly reduced the total number of tardies a student could get before being due processed.

New faces greeted the students also. Mr. Keith Hipskind replaced Mr. Jeff Loveless as a guidance counselor and also as varsity basketball coach. In the physics class, students met Mr. Jonathan

Brumley, who was hired to replace Mr. Les Kistler. Also, to take the place of retired cafeteria supervisor, Mrs. Mary Smith, Mrs. Sharon Lesko was now the new food service director.

Students also noticed that Mr. Jack Leach, assistant principal, was not around. While he took a year's sabbatical to work on his Ph.D. in education, Miss Gail Schrader, science teacher, was appointed the Dean of Students for the year.

In sports, four girl swimmers competed at state, and the varsity football team went to the Dome to try for its third state title, losing to the Franklin Flashes 34-14. When the winter sports came around, the

Lady Bricks basketball team set a school record for the number of wins in one season and made it to the final game of the sectionals. Wrestlers, Brian Butler and Bill Manolopolous, also competed in the state tourney.

In academics, a class was formed to study Lake George the second semester. It was taught by Mr. Darryl Blink and Mrs. Barb Loverich.

In November, the voters in Hobart went to the polls to select their choices for Hobart's first elected school board.

Also, ending their long and illustrious teaching careers were Mrs. Eleanor Armontrout and Mr. Boyd Scarborough.

# Football Homecoming

## Float tradition changes, bonfire added

Football Homecoming included big changes in tradition. Float building was limited to after-school work with adult supervision, and the floats were constructed on school grounds. This was due to past problems with vandalism at the houses where the floats were being built.

The Junior Class won the competition with "Torch Their Teepees." Clubs also competed in the Homecoming parade with floats. The Spanish Club won with "Los Brickies Brillaran Esta Noche" (The Brickies will shine tonight!). However, the weather

did not cooperate, and the parade took place under rain-soaked skies, stopping in time for the Bricks to beat the Portage Indians, 24-14.

Also, instead of the usual in-school pep session the day of Homecoming, the Student Council sponsored an all-community pep rally and bonfire at the Chamber of Commerce grounds the night before the game.

In addition, because all the lockers and walls were repainted over the summer, Booster Club was not allowed to decorate the lockers or the walls. Instead, the

club hung all decorations from the ceilings.

Senior Laura Stack was crowned queen, and her princesses were Junior Kris Luedtke, Sophomore Tricia Burger, and Freshman Candice Ksenak. Others in the court were Seniors Chris Lain and Kim Gallagher. Juniors Holly Toering and Kristen Doerr, Sophomores Kelly Galka and Heather Blossom, and Freshmen Shannon German and Laura Chiabai. Senior Erik Kuechenberg was named Mr. Football.

# Brickies show pride at Dome

Even though the Brickies overcame trials and adversity to get to the state championship game in the Hoosier Dome, they fell short of a victory, losing to the Franklin Central Flashers 34-14. This was the team's eighth trip to the state finals since 1979.

The Brickies started out the 1990 season by avenging the 1989 loss to Lew Wallace, by defeating the Hornets 27-6. The following week it was off to the Hoosier Dome for the Region Classic, where the Bricks defeated Valparaiso 34-6.

Andean was the next school to fall to the mighty team with a score of 31-14. The next week, in spite of losing three starters to team suspensions, the Bricks humiliated LaPorte by outscoring the

Slicers 46-3. Following the devastation of LaPorte, the Bricks tromped the winless Chesterton Trojans 49-6, and then went on to defeat Merrillville, Portage and Michigan City Rogers.

The Bricks started sectionals against Goshen and then went on to defeat Concord. South Bend Washington was the final foe to fall to the Bricks, giving them another sectional title.

Then problems plagued the Bricks again, as two more starters became academically ineligible to play. Under the leadership of new quarterback, Sophomore Ed Casko, the Bricks defeated Andean a second time to win the regional crown. Then it was off to Lafayette Jefferson High School for the semi-state battle for the second consecutive year.

Although the Bricks defeated Jefferson, the game ended in Senior Erik Kuechenberg injuring his knee and not being able to play in the state game.

In spite of a gallant effort, the Bricks were no match for the Flashers. The Bricks gained only 94 yards rushing and 126 yards passing. The one bright note of the game was that Junior Bill Manalopolous kicked his 126th point after touchdown, breaking the previous state record which was held by former Brickie Mike Budzielek.

The day after the state game, hundreds of Brickie fans gathered in Brickie Bowl to show their appreciation to the team and coaches for a great season.

# Basketball Homecoming

## Spirit Week contests boost participation

The Booster Club sponsored a contest for dressing up during Basketball Homecoming Spirit Week and, along with Student Council, a sheet-decorating contest, which boosted the participation of students. The week culminated in a Brickie victory over the Valparaiso Vikings, 54-41.

Each day, \$10 was awarded to the student who was judged the most spirited by a group of supervisors.

Monday was red, white and blue day, which gave students the chance to show off their patriotism and support for the troops in Saudi Arabia. The winner was Ted Musick.

Tuesday gave students the opportunity to remember that spring break was not too far off, and Michelle Moon won for that day. Nerd day was Wednesday and there were nerds all

over HHS. Top nerd for the day was Bill Hillstead.

Thursday was opposite sex day, and Senior Mike Williams was the winner. Friday was the traditional purple and gold day, and the school colors were splattered everywhere. Brian Whitaker took the honors for Friday.

For the sheet contest, the Senior Class won the class competition with a theme depicting the support of U.S. troops, while the French Club took the honors in the club division.

# Shelby Ritz takes Young Woman title

Senior Shelby Ritz was named "Young Woman of the Year" during a pageant Nov. 18 sponsored by the Hobart Jaycees and local merchants.

Bridget Knight was the first runner-up and Bridget also received the scholastic award. Second runner-up was Stacy Hood, who was also voted "Spirit of the Young Woman of the Year" by the other candidates. Amy Campbell was given the non-finalist talent award.

The pageant, formerly known as Junior Miss, attracted eight senior girls. The other contestants were Chandra Ball, Cathy Hendricks, Dina Widener and Kimberly Jeffress.

Shelby received a \$700 scholarship and represented Hobart in the state pageant. Bridget received \$450 in scholarships,

while Stacy was given \$250. Amy's award was a \$100 scholarship.

For her talent, Shelby danced to "Taking Care of Business," while Bridget performed a piece from "Macbeth. Stacy did sign language to "You Light Up My Life," and Amy's winning talent was a piano solo.

Judging standards for the pageant were the same at all levels. Youth fitness counts for 15 per cent, poise and appearance for 15 per cent, scholastic achievement for 20 per cent, creativity and performing arts for 20 per cent, and judges' personal interview for 30 per cent. Perception, a sense of values, clarity of expression, and concern and involvement in human relations are considered during the interview.

# Schrader becomes dean of students

A familiar face took on an unfamiliar job at HHS. Miss Gail Schrader, formerly the biology,

honors' biology and medical biology teacher, replaced Mr. Jack Leach, who was on a sabbatical leave working on his Ph.D. in education at Purdue University.

Even though she replaced the assistant principal, Miss Schrader's formal title was Dean of Students for the one school year.

The job Miss Schrader was in charge of primarily consisted of handling all student behavior problems in all four grades. She said she saw less than five per cent of the student body in her office and

she saw the same students over and over again.

Charts drawn up by Miss Schrader showed who she saw every day and the relationship between behavior problems and grade levels. Miss Schrader said that the freshmen had the most problems because they had to get accustomed to the high school policies, but as most students got older, they matured and settled down.

Miss Schrader felt that her job was interesting because she was seeing a completely different side of education, and she felt the year was a learning experience for her.

# Two HHS teachers retire

Last year HHS not only say good-bye to the graduating seniors, but also to two teachers, Mr. Boyd Scarborough, and Mrs. Eleanor Armontrout, who retired.

Mr. Scarborough had taught at HHS for 30 years, and he had taught over the years U.S. history, World History, Asia-African History and Latin American history.

Mr. Scarborough graduated from Ball State University where he received his bachelors degree in social studies and also a masters degree. After college Mr. Scarborough came to HHS where he started and ended his teaching career.

Mr. Scarborough said, "I enjoy people out of school, who come to tell me how much they learned in my class." When asked how he feels about leaving HHS, his response was, "Good."

Along with Mr. Scarborough retiring, his wife Mrs. Nancy Scarborough, who teaches home economics at the middle school will also be retiring.

Mrs. Armontrout had been with HHS for 33 years, at first teaching physical education for girls only, and then coed physical education.

She has spent the last decade of her career in the science department, teaching biology, basic biology and general science.

During her career, Mrs. Armontrout watched girls sports at HHS grow from the Girls' Athletic Association which was an intramural program for girls which she used to be the sponsor for, to an interscholastic girls program of about eight different sports.

When asked what she would miss the most about retiring, Mrs. Armontrout's response was, "The daily communication with fellow colleagues, student, teacher, and friends. I love to see the glow on students' faces when they have felt success."

## First elected school board

The school city of Hobart recently elected seven candidates for the school board. These people took office Jan 1. The new board consist of Brian Rosenbaum, presenting district one; Sophie Wojtowski, representing district two; James Mellon, representing the third district; Richard Graham, representing the fourth district; James Dayhull, representing the fifth district; and Catherine Loden and E. Randall McEuen, members at large.

After the election, the HO-HI LIFE newspaper sent a questionnaire to the board members.

One of the question asked was, "What do you hope to accomplish while on the school board?"

Mr. Rosenbaum believes in tearing down superficial walls or blocks so that teachers, students, and parents can work together. This idea is also known as the "SIP" program and Mr. Rosenbaum believes it could work, "If people buy into it and take responsibility." He also said that he believes in building-based management, but added some aren't in favor of it.

Mrs. Wojtowski plans to accomplish putting money where it will help students most, checking out waste, and adding to the curriculum at all levels including a course in human values, similar to "QUEST" at the middle school. She also added, "If the state will allow each school corporation to dictate its own number of school days per year, I would suggest that all students carrying an "A" average throughout the year be excused from the last week of school." She added, "On the other hand, some students need more days to become educated."

Mr. Mellon hopes to provide the best education possible to all of the students who go through Hobart schools.

Mr. Graham plans to improve the facilities to better serve the teacher and students. He said, "Our present buildings are in need of major repair and modernization."

Mr. Dayhull said, "I hope to be able to provide some consistency and to help the new board achieve dividends for our schools from the

investment of the electorate of Hobart and the Hobart schools have now placed in us."

Mrs. Loden said, "I plan to continue being supportive of our school system's quest for excellence." She also added that she belongs to an organization that believes in and practices that the commitments towards maintaining excellence. She said, "I believe I can help continue the past boards endeavors towards this goal."

Mr. McEuen said, "Support (continue to) the administration and teachers in their effort to get all students to work at maximum, or what they feel is above their ability. Being a student uses up approximately 20 percent of your life. The other 80 percent of a life time can be all up hill if you aren't educated to participate and appreciate the finer things life offers. I'm particularly proud of our Master Teacher Growth Program."

# SENIORS

Everything started as soon as we took our first steps into Hobart High School as freshmen. We thought graduation would never come, but after four years, we have learned to prepare ourselves for the many things, good and bad, we still have to face in life.

As each year passed, we built on our memories, and now that our high school years have come to an end, we have many things from the past to think about.

As freshmen, we looked at high school as a new and exciting experience. It was a time when we gained friends and met many different people.

As sophomores we gained much more acceptance and respect, and were treated

more like young adults than children. It was a time when we learned "The Ropes" of high school life.

When we became juniors, we began to think that our high school days were numbered, and it was time to think about our futures.

As our senior year approached us, we began to realize it was the beginning of the end. When plans for graduation came upon us, we were excited and happy just to think about the future, but, as we walked down the aisle at commencement, all the memories began to come to our minds.

We were the first sixth grade class to enter the Hobart Middle School. During our high school career, we saw our Brickie football team

go down to the state finals three times, bringing back the state championship two of those times.

We saw the end of the Berlin Wall and the Cold War, but we were also witness to members of our generation being sent off to fight Desert Storm in the Middle East. We also wondered if the war would last long enough to take members of our class.

Tears were shed and hugs were shared, as good-byes were said, and we became part of Hobart High School's history.

The Class of 1991 colors are blue and gold. The class flower is the red rose and the class motto is "Build for character, not for fame."

## Senior privileges start during March

Senior privileges came early to the Class of 1991 when the seniors were offered a variety of activities to occupy them while the underclassmen took ISTEP and TAP tests in March.

Some of the activities over the three mornings were three movies, a speaker from Davenport College about dressing for success, and sports such as basketball, volleyball and swimming.

Beginning May 20 seniors were dismissed to lunch one minute early each school day. May 24 was Camera Day, and Favorite College Jersey Day was May 28.

Seniors were allowed to be up to three minutes tardy to each class May 29 which was No Tardy Day, and they picked their favorite underclassmen for a slave for Slave Day May 30.

May 31 was Hawaiian Day which culminated in the Aloha Seniors Dance that evening. Seniors didn't have to come to the first hour classes June 3, and were dismissed an hour early June 5. On that day, the seniors were treated to a special lunch in the cafeteria also.

The privileges ended with a senior picnic June 6 which included hot dogs and potato chips.

Mayor Margaret Kuchta serves hot dogs to graduating seniors Chad Coady and Jason Pruitt at the senior picnic.

While the underclassmen took the ISTEP and TAP tests, the seniors were able to play volleyball.

Above — This group of senior girls is obviously happy that the seniors could swim in the pool during under-class testing.

Right — The cafeteria staff treated the seniors to a special goodbye luncheon. Robert Franz and Keith Siicker take advantage of the privilege.

Hobart's finest fire fighters pose for a picture after "saving" HHS on Career Day. They are (front row) Stacy Hood, Joy Moore and Greg Miracle, and (back row) Chris Tripp, Earl Freimuth, Amy Kicinski, LeeAnn Davies and Kirsten Bowles.

## Seniors participate in Career Day

HHS Held its annual Career Day for seniors in May. Seniors were assigned to various jobs as city employees, teachers and as employees of local businesses.

Students were to go through a normal day on the job. For the students in the fire department, this meant the day started with housekeeping around the station. The students also watched the firefighters practice using the jaws of life, and also went on a "fire run" to HHS.

Seniors assigned to the police department toured the jail, saw pictures of famous inmates, such as John Dillinger, and learned basic police procedures. All city employees were treated to lunch by Mayor Margaret Kuchta.

Students who participated were Amy Campbell, mayor; Sharon Hughes, mayor's secretary; Martha Burns, judge; Joe Samreta, prosecutor; John Kravis, bailiff; Bridget Briggs, building inspector; Eric Garrison, engineer.

Also, Bridget Knight, police chief;

Jill McDonald, asst. police chief; Chris Osiel, Cathy Marsalek, and Eric Johnson, detectives; Bruce Burton, Eric Randall, Natalie Minard, police officers.

Also, Stacy Hood, fire chief; Chris Tripp, asst. fire chief; Lee Ann Davies, Greg Miracle, Kirsten Bowles, Amy Kicinski, FJoy Moore, Earl Freimuth, firefighters.

Also, Sara Rogers, Kellen's Florist; Jennifer Munchenberg, Gainer Bank; Russ Garriott, Hobart Gazette; Micki Miller and Dana Kozlowski, Midstates Photography; Paul Kunas, Rees Funeral Home; Brian Butler, Hobart Federal and Savings; Carole Forrest, Christa Rossi and Dawn Dotson, Jack and Jill Academy; Brian Johns, Dr. Robert Ray; Jennifer Nelson, Attorney William Longer.

Also, Susie Bolla, George Earle School; Chandra Ball, Tim Blood, Julie Howerton, Holly Hiestand, Charles Isley, Mike Williams and Jeff Majewski, principal, Foreman School.

As part of her duties as a "teacher" at Foreman, Chandra Ball works with a small group of students.

After a busy day, "Principal" Jeff Majewski relaxes in his office at Foreman School.

The job of mayor is explained to Amy Campbell by Her Honor herself.

The feeling of power overtakes Kirsten Bowles as she sits in the driver's seat of a Hobart fire truck.

## Juniors

For the juniors, the 1990-91 school year quickly came to an end. With hard labor, the members of the Class of '92 began solving decisions that had to be made about their futures.

The Junior Class presented the 1991 prom "Love Never Dies" with much success at the Greek Hall for the second year in a row.

Kris Luedtke was named football homecoming princess and Stacey Dalton was named basketball homecoming princess.

Class colors are red and white, while the class flower is the tea rose and the motto is "Labor Conquers All." Class officers were Kris Templin, president; Tom Steffus, vice-president; Jennifer Dickson, secretary; Donna Sorla, treasurer.

# Sophomores

As sophomores, the Class of 1993 was able to enjoy their sophomore year fondly, instead of feeling burdened by the fears and anxiety that go along with the freshman year. Ridicule was replaced by acceptance, because the sophomores had "learned the ropes."

Tricia Burger was named football homecoming princess and Tricia Duran was named basketball homecoming princess.

The sophomore class colors are crimson and gray, and the class flower is the red carnation, while the class motto is "Try, trust, triumph."

# Freshmen

Members of the Freshman Class experienced many changes as they entered the high school, as do most freshmen. Among the changes were harder classes, a larger atmosphere, and "bullying" from the upperclassmen.

Candy Ksenak was crowned football homecoming princess. Nicole Ferlus was crowned basketball homecoming princess.

Dan Butler was president, Angela Elkins was vice-president, Jodie Lindsey was treasurer, and Nicole Ferlus, secretary.

# Girls complete difficult season

Though the girls' varsity tennis team didn't have a very good season, they kept a positive mental attitude throughout the entirety. The girls completed a difficult season with only one senior, and came up with only two wins against Lowell and Wheeler. Those wins, along with new uniforms, highlighted the season. Sophomore Christine Galambus received the Coach's Award, while Sophomore Missy Brandush earned the Brickie Spirit award. The Most Improved Award went to Junior Michelle Rosenberg, and the Most Valuable Player Award went to Junior Sara Brandenburg. Juniors Leigh Johnson and Brandenburg served as captains. Coach Judy Teach said she is looking forward to a great season next year with 15 returning players.

Due to a young boys' varsity tennis team, they were unable to come out with a winning season. In the year to come

they should be much stronger as a team. The team will have many returning players. Among those returning will be Sophomore Carlos Celis, who should be one of the best players in the area.

## SADD cancels 3rd Lock-In; hosts statewide 'Snowball'

The annual SADD lock-in was cancelled this year due to lack of participation and organization. This would have been the third year that SADD had sponsored this activity.

Junior Jennifer Dickson designed and created a drug free flag to kick off Red Ribbon Week which won 2nd place to show we're building a drug free school. Red Ribbon Week was from October 21-28, and in honor of this, ribbons were distributed for the students to wear.

HHS hosted "Operation Snowball" from March 22-25. This is a alcohol and drug use prevention program which focuses on leadership development to empower youth to lead drug-free lives.

This year's SADD officers included Senior Chad Coady, president; Junior Stacey Dalton, vice-president; Junior Michael Sawyer, secretary; and Junior Michelle Rosenberg, treasurer.

National Honor Society continued their community

service by sponsoring a toy drive and donating food to the less fortunate. They co-sponsored the Semi Formal dance along with Varsity "H." They also induct the new members in the spring. NHS also had the Brickie of the Month which was announced in every issue of the Ho-Hi Life. During the fall months the club members went on a hayride at Deep River County Park. The club was run by Seniors Martha Burns, president; Stacy Hood, vice-president; Amy Campbell, secretary; and Chandra Ball, treasurer.

The Math Club kept themselves busy this year. They sponsored the Battle of the Clubs softball game and also the Aloha Seniors Dance. They held a car wash and the money raised from it paid for the dance expenses and went towards scholarships. This year's officers were Seniors LeeAnn Davies, president; Bridget Knight, vice-president; Natalie Minard, secretary; and Cindy Snitchler, treasurer.

Members Tom Steffus, Brian Butler, Bruce Burton, and Frank Maggio of NHS show excitement

## Soldiers in Saudi Arabia get 'care' from Student Council

The Student Council did its part in the war effort by sending care packages to the soldiers in Saudi Arabia. Items for the packages were collected through a contest between first hour classes. Mrs. Pam Hass' government class won the contest and received a free breakfast. They also provided clothing for the flood victims in Highland. Senior Chad Coady headed Student Council this year as Mayor, while Junior Michelle Feczko acted as Clerk and Senior Bridget Knight was the treasurer.

The Varsity "H" Club carried on their tradition by collecting food for the Hobart Food Pantry during the Christmas holidays. They had a very good response from the students. They co-

sponsored the Semi Formal along with NHS. The club was run by Seniors Kirsten Bowles, president; and Chris Lain, vice-president; and Junior Christine Mikusevich, who served as both secretary and treasurer.

This year FCA held their annual pancake breakfast along with sponsoring a raffle in which you could win a gift certificate for any activity at the Holiday Star. Both of these activities paid for the club members to go on a weekend trip to Turkey Run County Park. The club was headed by Senior Amy Kicinski, president; Senior Joe Samreta, vice-president; Senior Blake Wallace, treasurer; and Junior Trisha Pouch, secretary.

Junior Sara Brandenburg keeps herself busy by hanging stuff around the school.

Members of the French Club watch their fellow teammates play volleyball.

A new jukebox was added to the lunch room which was donated by the French Club for the students listening pleasure. The cost was 25 cents for every song played. The French Club also took their yearly trip to Chicago during the month of October. The club was led by Seniors Martha Burns, president; Irene Cleary, vice-president; Dana Brad, secretary; and Mike Wilson, treasurer.

This year the Spanish Club traveled to Mundell Elementary School where they taught students first year Spanish. They had their traditional dinner at Casa Gallardo to which they invited other language clubs. They helped out selling donuts before school and also candy. The money raised went to the Spanish Club scholarships. They also won a first place for their football homecoming float. The club was run by Seniors Stacy

Hood, president; and Amy Campbell, vice-president; Junior Julie Poole, secretary; and Junior Michelle Rosenberg, treasurer.

The German Club recognized the teachers during Teacher Appreciation Week along with the other Foreign Language Clubs by giving them donuts. They were involved in many outside activities such as the softball game, volleyball game, and a trip to Casa Gallardo along with the Spanish and French clubs. Their fundraisers consisted of collecting cans for recycling, selling candy, and the money from the candy machines. They also took their annual trip to Germany. The officers were Juniors Christine Mikusevich, president; John Coons, vice-president; and Sophomore Julie Stevenson, secretary-treasurer.

Members of the French club participate in a after school volleyball game along with

Seniors Jessica Cortese, Michelle Moon, and Shelby Ritz make decorations for the hallways.

Many HHS students enjoyed the numerous club sponsored dances held throughout the school year.

## Booster Club promotes spirited activities throughout school year

The Booster Club had its traditional year with some changes. Because the lockers were repainted, the club members could only decorate above the lockers and not the front of the lockers for Football Homecoming like in previous years. They also painted windows around the town and passed out goodies for the players. To kick off Homecoming they sponsored Spirit Week. During February they sold balloons that students could have delivered for Valentine's Day which was one of their main fundraisers. The club was run by Senior Amy Campbell, president; Senior Cindy Snitchler, vice-president; and Junior Michelle Feczko as secretary-treasurer.

The Photography Club took pictures with Santa and the Easter Bunny for HHS students

as a service project, since no profit was made on the photos. Club members traveled to Burrell color lab in Crown Point with other journalism students. They also tried to have an all-school photo contest, but it was cancelled because there were only two entrees. The club's president was Junior Rick Heintz.

The Quill & Scroll inducted nine new members in the spring. They were Seniors Bridgett Briggs and Joy Moore, and Juniors Donna Soria, Anita Brown, Stacey Dalton, Nikki Dunn, Mike Sawyer, Chris Matie, and Tara Normoyle. The club compiled and published the 1991 Senior Wills. Members also sold the football homecoming mums. The money brought in from the mums paid for the new memberships, field trips and awards.

Juniors Kris Luedtke, Michelle Rosenberg, and Kris Doerr have some fun while painting the windows up-town.

## Eric Maravilla

Acceptance is the key to getting along in this world of ours. Acceptance of our brotherman for what he is and not what we want him to be.

Acceptance of many hardships we must all endure at one time or the other.

Acceptance of oneself, above all else must be accomplished.

If you can do this wholeheartedly then your life will be fulfilled.

Our lives have been fulfilled by having you as our son.

## Final Notes

The end is finally here and it's about time. I know it took longer than we all expected it to, but we finally finished. Through all the arguments, conflicts and problems we all pulled through and finished the book. I look back over the days when I first assigned positions, to the day our first deadline came. Mrs. Lambeth, I am sorry we were here until July, but I look at it this way; I'm probably the first editor to stay that long and, hopefully, I'll be the last.

To the rest of my staff, thanks for all your hard work, time and effort. If it wasn't for all of you, there wouldn't even be a book. Anita and Chris, thanks for all the work you did; I really appreciated every bit of it. Anita, thanks for all your input and good ideas that I usually used.

Donna I'm sorry that you got stuck with the short end of the stick, but with a limited number of people on staff, that's just the way the ball bounced. You've worked hard all year and did good; I'm proud of you for taking on such a big challenge for your first year on staff. You did the best you could and learned a lot and that was all I asked.

Nikki, it was great working with you. You're a hard worker who knows when it's really time to work; you just do it, even if it means coming back after vacation, right? I hope you learned a lot and had a fun year. Good luck next year; now that you've got the hang of things, you'll do fine.

Joy, without your help from the beginning, I would have never made my first deadline. I don't know how to thank you for everything you did for me this year; without you saving my butt, Mrs. Lambeth would have killed me.

Martha, even though you were only with us for half the year, you got the chance to see how things worked. Good luck next year.

Michael, I leave you with my job as editor. I hope you can keep your staff on the ball, and keep on working till it's all through and you don't have to come back in the summer; good luck. You'll need it; You're in charge now.

Stacey, there isn't enough paper for me to say everything I'd like to say. All I know is that if I didn't gain anything from being editor, I gained your friendship and that's the best thing I could have asked for. We had a lot of good times together. Good luck next year and thanks for being my photographer.

Well, Mrs. Lambeth, we finally made it even if it is July. Boy am I glad I never promised we would not be here this summer, because I would have broken my promise.

To the Class of '91, Congratulations and Good Luck!!!

I'll Miss You All,
